Owen Meredith said, "Good humor is goodness and wisdom combined." We need to add only one other ingredient, enthusiasm, to complete the portrait of a man whose presence at South has given the students leadership and honor and has helped our school ascend to greatness.

As a vitally important part of the school administration, he has shown his wisdom and goodness by helping to make this institution an embodiment of all those ideals for which men should strive.

The enthusiasm and good humor which pervade all his actions have endeared him to us and made him an indispensable part of our academic life.

One of the strongest pillars in the structure of South Mecklenburg High School, he will always be remembered by South students as "the man who cared enough to give his very best."

For wise guidance and leadership, for understanding and patience, for an ever-present smile and an ever-ready word of encouragement, we, the Class of 1965, express our deep gratitude and sincere admiration by the dedication of our *Somecka* to Mr. Bruce Owens.

Sabre Gridders Finish Strong Second

Coaches Price, Patten, Campagna.

THE SOUTH SHALL RISE AGAIN!!!! These words brought fear into the hearts of all the Western 4-A teams in 1946. The red-hot Sabres, picked to finish a cold 7th in the conference, finished a streaking 2nd, with a fine ranking of sixth place among the state 4-A teams. Led by the brilliant quarterbacking of All-Stater Ed Atkinson and the fine coaching of Bob Patten, the mighty Sabres were dulled only three times in ten outings. Smashing victories over the perennial powerhouses, Garinger and Myers Park, helped pave the way to the best season in South's six-year football history.

Along with Atkinson, guard Rig Duncan was granted a berth on the North Carolina Shrine Bowl team. The Sabres placed more players on post-season honorary teams than any other school in the Western 4-A Conference; among those honored were center Tom McCaslin and center line-backer Furman Burt, end Rusty Holcombe, fullback Mal Wall, tackle Joe Hatley, and halfback Jimmy Griffin.

The key to the success of the Sabres' "Cinderella" Squad, as stated by many of the players, was the hard work and complete cooperation of each member of the team.

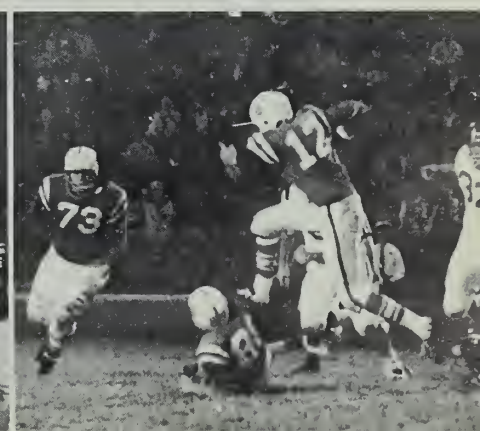

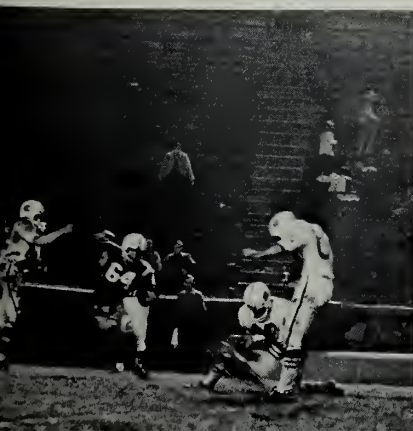

It is obvious, from the record compiled by the 1964 South gridders, that football has finally come into the spotlight as South's dominating sport.

Experience, talent, and a will to win gave the South basketball team one of the best seasons in the school's history. With an eruption of school spirit accompanied by a great deal of skill, the boys scored victory after victory in the 1964-65 season.

Coach Dave Price led the Sabres to a fifth place finish in the conference, producing a team respected throughout the county. Unexpected but welcomed surprises, brothers Hubert, Herbert, and Harry Davis controlled the backboards throughout the season while Jimmy Myers and Johnny Robinson provided the scoring power for the Sabre team.

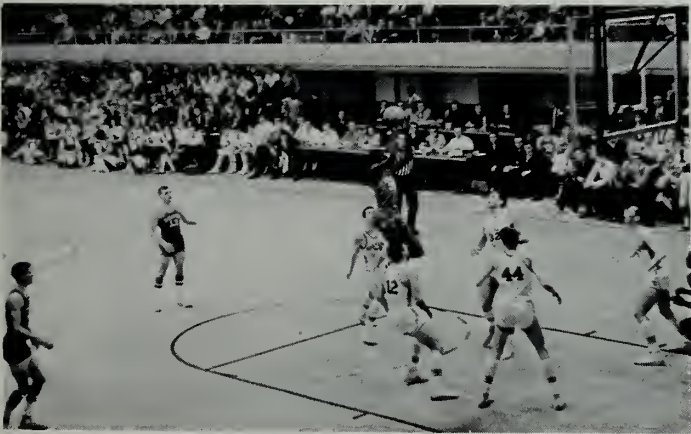

The Sabres were aided considerably by the depth of the team. Coach Price is expecting even more experience with the returning juniors and rising Jayvees next season.

This experience together with teamwork and full cooperation the Sabres picked off many old time rivals leading to an 11-9 season and a berth in the Conference tournament.

South's Harriers, led by Co-Captains Johnny Mayo and Jerold Burkes and surprise junior star Terry Donavon, made their way through the duals of the Western 4-A Conference ending with an overall record of 1-5.

The Harriers, coached by Mr. Harold Lail, lacked depth and experience but hope for a more successful season next year.

Donavon and Clement Wilson, the returning co-captains, will be the sparks igniting the flame for the Harrier's aspiration to a conference title. Along with these participants, Mr. Lail is counting heavily on transfer George Blake, who finished 5th in the state tournament, and on the rising sophomores who will add depth to next year's squad.

Under the leadership of Coach Fred Boger, co-captains Charlie Thomas and Tom Landis led the 1964 sluggers to a great season and an 8-8 record. Tom Landis, named Player-of-the-Year, and Brad Barnette held places on the All-County team. After a tough first half, the South squad returned to place in a three-way tie for second in the latter half of the season.

The team had good depth and reserve, plus a well-balanced pitching staff and good overall speed. The players' high morale, which led to decisive wins over Myers Park, East, and Garinger, produced the best team in the school's history.

Coach Patten is hoping for another good season with the help of returners Serrell, Lee Goodnight (7-2), and Jerry Withrow (4-4-2).

Joe Hatley, grappler co-captain, placed 1st in the district tournament and went on to represent South at the state meet at Appalachian and also placed first in the Heavy-Weight Division.

South High's prestige as a leader in the field of golf in the 4-A Conference is growing each year, and there is reason to believe its influence will be even greater in the years to come. State Champion Chuck Merriam returned as a junior in '64 to slam his way through another fabulous year and to another first place finish in the state tournament. Under Coach Reed, the team placed first in the conference tournament, and finished with a 19-2 record. The 1965 team aspires to even greater heights with Merriam returning as a senior and captain of the team.

Injuries Plague '64 Trackmen

The 1964 South trackmen coached by Tommy Schwartz could manage only a mediocre season. The team, led by junior Charles Keith, was plagued with misfortunes all year. Injuries to runners Allen Dasher and Bob Matheny are where Coach Schwartz felt the team was hardest hit.

The 1964 Sabres lost only one senior, Matheny, through graduation, and therefore, the 1965 team is expected to provide tough competition for all opponents. New head coach Lenny Campagna is counting on experience to provide South with a winning season.

Sabres off and running.

In its third year of existence, the tennis team, led by Coach Lynn Parker, had a successful season. Led by seniors Bill Findley and Marshall Karro, the South Netters fought their way to a season of four victories and nine defeats, starting the season with a 9-0 victory over Harding. With returning letterman John Findlay leading the netters, the '65 season should prove at least the equal of the last, as Coach Parker looks forward to a winning season.

The South High soccer team, off to a fine start last year, fell off this year due to a lack of experience.

With only two matches this year, both against Myers Park, the Sabres fared as well as could be expected, although no match for the more experienced Mustangs. The South team managed to score only one goal by John Findlay.

The Sabres, coached by Mr. Robbins, are hoping for a more successful year next year with the help of several returning members from this year's squad.

Sabre Cubs Post Fine Record

Under the guidance of Coach Dave Price, the Junior Varsity football team amassed an excellent record in the 1964 season. The team was one of good depth and balance, having drawn its members from an unusually talented group of junior high graduates from Quail Hollow and Smith Junior Highs. Led by co-captains Mike Stirling and Randy Carmichael, the team battled to a second place in the conference with a record of four wins, two ties, and three losses, giving Coach Price his fourth consecutive winning team.

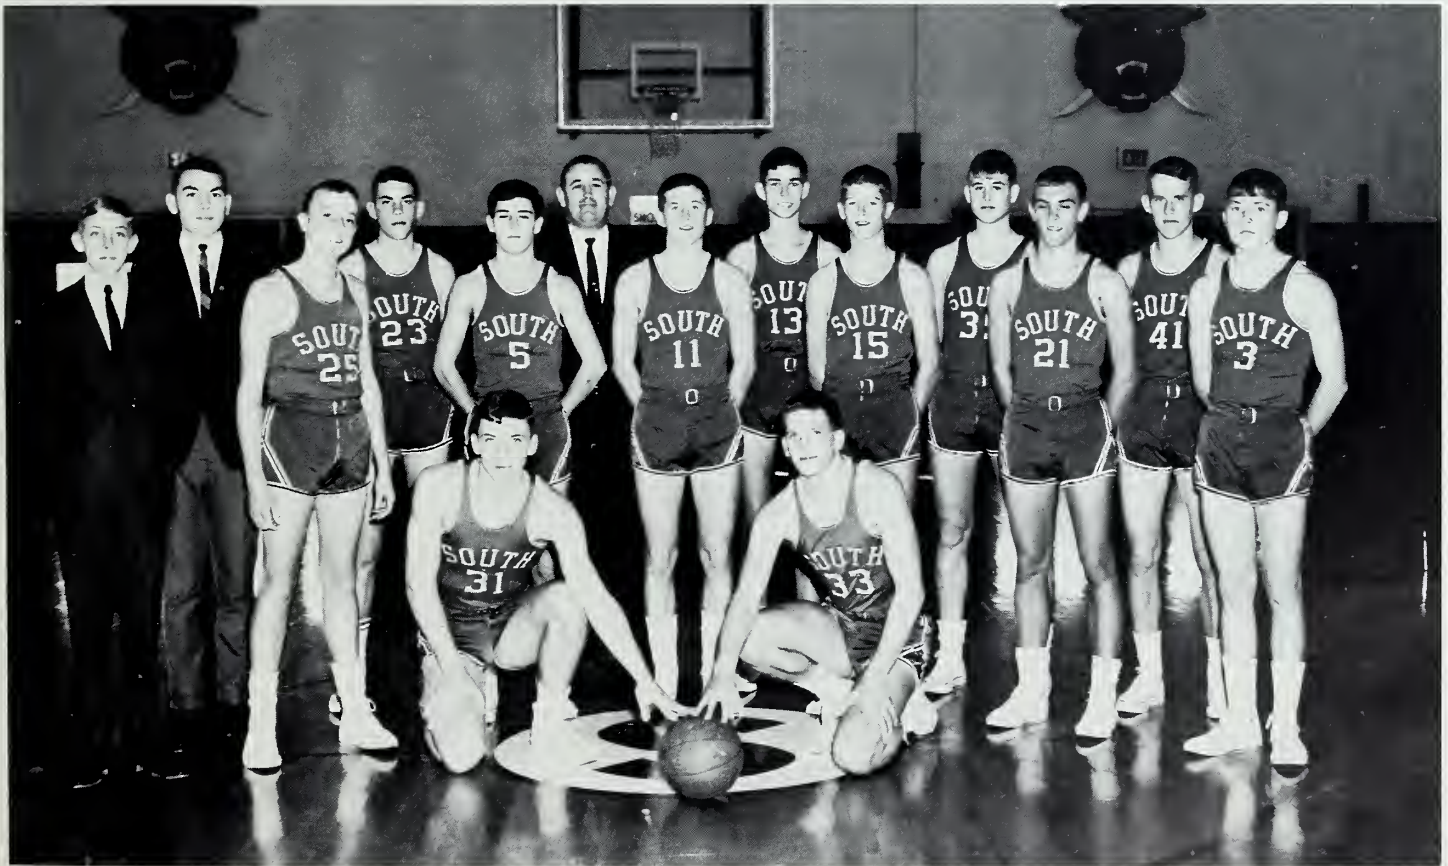

Junior Varsity Action.

Jr. Sabres - 4-A Champs

The winning record of the Junior Cagers from Sabreland can be described as no less than sensational. Under the direction of Coach Charles Gerringer, the boys fought their way through a season of 14 wins and 4 losses, finishing the year with a first place in the Western 4-A Conference Championship, beating Myers Park in the finals. Outstanding performers on the court were Mike Stirling, Dennis Wean, Steve Lentz, Dennis Edwards, and Terry Florence. Highlights of the season were victories over North 77-48, Harding 72-40, and Hunter Huss 76-45. These high scoring Jayvees should prove welcome additions to the varsity in the coming years.

Her trip from Mendoza, Argentina to Charlotte, North Carolina was a great hop for our 4' 10" exchange student. Our "littlest Sabre," Elena Maria Seisdedos, came to South Mecklenburg on the Charlotte Exchange Student Program and lives with the W. J. Jorgensons of 3210 Eastburn Road. Ellen and her American sister Kristin have enjoyed many activities both in and out of school. To Ellen we extend our gratitude for all she has brought us—an effervescent smile, a friendly manner, and understanding of people not only from Argentina but also from all over the world.

Working together is rewarding for Kristin and Ellen.

For the second year at South Mecklenburg, the Charlotte Exchange Student Program has promoted international exchange of students. Certain students, chosen for their poise and compatibility with fellow students, receive a greater chance to study abroad than in any previous years.

Selling note cards to raise money for these students has been the project of this year's committee.

ELENITA SEISDEDOS

Chosen in his junior year to participate in the Charlotte Exchange Student Program, Gary Niess enjoyed a 9-week stay in England and parts of Germany. He lived with a family in Hornsea, England, on the North Sea before taking a tour of Germany.

Tar Heel Girls' State, sponsored by the North Carolina American Legion Auxiliary, is part of a nationwide study in democracy. Each auxiliary post in the state sends a group of girls to participate in a week of programs and elections held at the University of North Carolina at Greensboro.

South received many honors in the 1964 session of Girls' State: Sandi Bates was not only elected governor but also chosen to be one of two North Carolina representatives to Girls' Nation in Washington, D. C. where she served as director of the Civil Aeronautics Board; Jane Morrison won an honorable mention in the essay contest; Jennie Chandler performed commendably in the talent contest; and Margaret Mohrmann was elected "Best Citizen" from her city.

Tom McCaslin was South's representative to Boys' State, a program sponsored by the American Legion. He participated in studies on the government and history of our state and nation held at the University of North Carolina.

Summer Activities Honor Outstanding Students

South's representatives to the Governor's School were Fran Mitchell and David Anderson. Outstanding in cello and drums, they were chosen during tough competition at a city-wide audition.

MISS DONNA LOMBARDI

Because of her outstanding qualities of service, leadership, and dependability, the Senior Class selected Miss Donna Lombardi as the D. A. R. Good Citizen. As our outstanding citizen, we feel that she best represents South's spirit, honor, and pride.

Scholarship, leadership, service and character—all these traits composed the success of the South Mecklenburg Chapter of the National Honor Society for the school year 1964-65, the first complete nine-month period that the Society has been in existence. The members of the Class of '65 who are in the Society are proud bearers of the title "charter member."

Scholarship, upon which membership is partially based, plays an important part in the operation of the Society, and character and service are considered indispensable because, without enthusiasm, the club is of little value to the school.

The South Mecklenburg Chapter, wishing to be considered primarily a service club, has aided the administration by publishing a Student Directory. Among its more profitable projects has been tutoring, a money-raising project as well as a constructive practice which has helped many students who may not have had an opportunity to complete requirements for graduation.

Spirit, willingness, cooperation, loyalty—all these qualities, in addition to the four basic criteria, have made the NHS a highly respected and effective organization.

Cheerleaders Push That Good Ol' South Spirit

MRS. BRADY, ADVISOR

In boosting our spirits and promoting good school relations, our cheerleaders are tops. They have worked for us by leading the entire student body at pep rallies and by encouraging good sportsmanship and support of our teams.

This year's head cheerleader, Lynn Burkholder, along with the

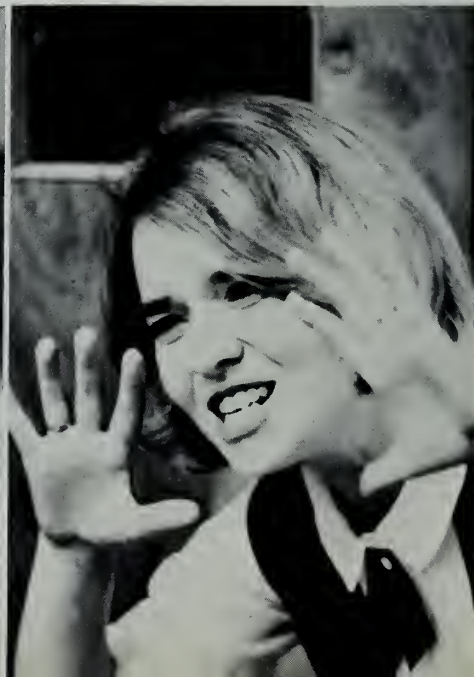

other eight girls, attended city-wide conferences on cheering techniques.

The students owe a large vote of thanks to these girls whose time and effort have gone into making this year's "good ol' South spirit" the best ever.

By supporting and improving the athletic program at South Mecklenburg, the Monogram Club has promoted and maintained interest in athletics, health, and sportsmanship. The example and leadership of the members have shown to South's students the importance of enthusiasm in the athletic program.

The members assist in selling programs and refreshments at all sports events and have brought two sections of bleachers and five garbage cans for the gymnasium this year. They also donated \$250.00 to the school for the purchase of a therapeutic bath for members of all athletic teams.

“La Salon Francaise” - - French Club Project

Membership in “Les Provenceux” is open to all French students at South Mecklenburg. Through special programs and films, each member gains a great knowledge and deeper understanding of the French people, their customs and their culture.

This year the French Club converted a conference room in the library into a French Room, “La Salon Francais”. Books and pamphlets concerning France are placed in the room to aid French students in research and to promote a greater interest in France.

Both student body and faculty have been impressed by the amount of participation and achievement which has marked the development of the Spanish National Honor Society. The members of South's chapter, "El Cid," are those students who have shown excellence in Spanish II, III, or IV.

Organized in 1962 by the members of the Spanish IV class, the club accepts only those students who maintain a ninety-two average in Spanish each quarter. The major project for the 1964-65 school year is the compilation of a list of students and teachers who have visited or lived in a foreign country. Such a roster could be used for obtaining speakers or special information about certain countries.

Members must maintain 92 average in Spanish.

Members Learn From Native Speakers

Interest in Spanish-speaking countries was sparked this year by the arrival of Elenita Seisdedos, our foreign exchange student from Argentina. Fluency in the beautiful Spanish language has been encouraged by the Spanish club, and programs have included outstanding speakers from Argentina and Bolivia.

South considers such organizations as the Spanish Club to be the most effective method for creating good will among the nations of the world. The customs and people of foreign countries have been emphasized in striving for greater understanding. The members exhibit a sincere interest in the affairs of these countries as well as outstanding grades in their Spanish classes.

Math And Engineering Clubs Combine Memberships

Broadening the concepts of higher mathematics and strengthening skills needed in college sciences are the two main purposes of our South High Math Club and Engineers Club. The correlation of these two important fields enable the members to observe the many facets of both areas. Politics Explored By New Young Americans Club

The promotion of political interest and education among the students of South Mecklenburg has been greatly stimulated by the newly-formed Young Americans Club. Protecting today's freedom is the responsibility of every free person and by comparing our American democracy with that of other countries, young Americans can evaluate the stability of our nation in an anxious world.

Guest speakers, debates, and field trips have added to the clubs effectiveness in acquainting its members with America's political organization.

Bus Drivers officers are: Marvin Job, vice-president, Steve Acuff, president, Roberta Smith, secretary-treasurer.

The responsibility of transportation to and from school of almost 1,000 students rests on the bus drivers under the supervision of Mr. Owens. Besides South's students, transportation of students in the surrounding elementary and junior high schools is a large part of their work.

Another major job this year has been the transporting of elementary children throughout the city to concerts given at Owens Auditorium.

We can be very proud of our bus drivers because of the efficiency and caution for which they are known.

Mr. Poteat, the man with a ready smile and a capable hand directs the work of the maintenance staff.

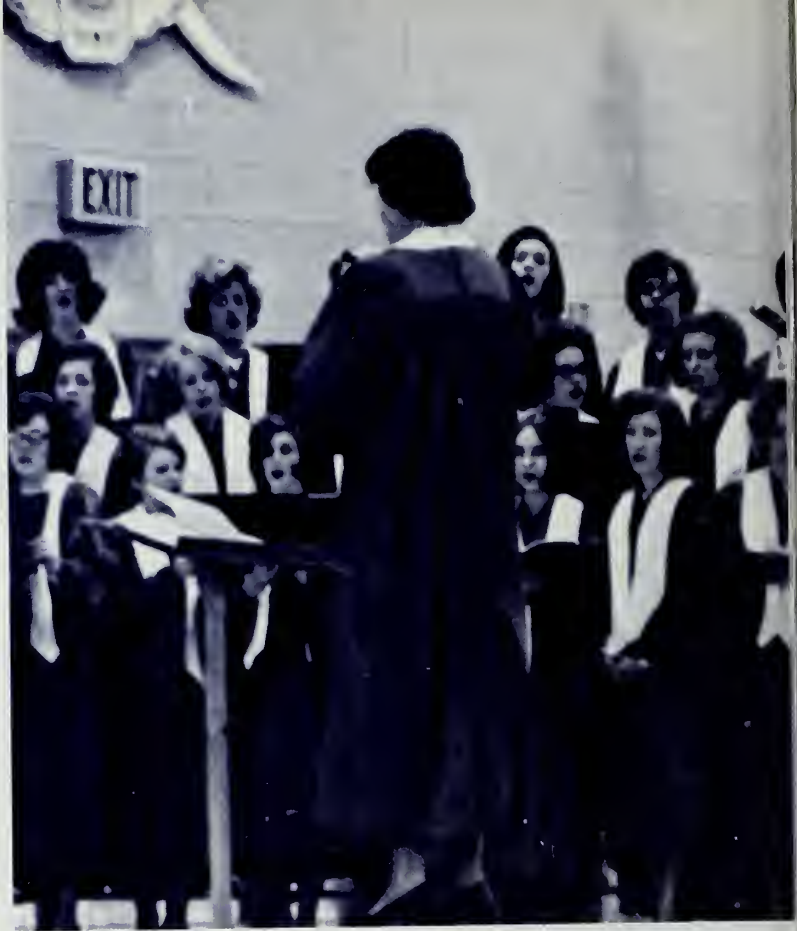

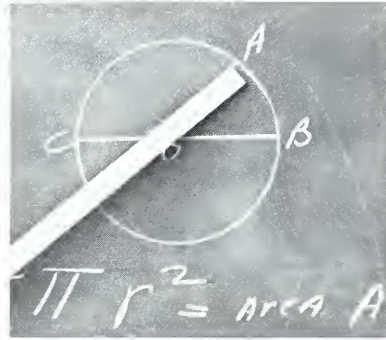

With the enlargement of the cafeteria facilities last year and improvements this year, lunches at South are more varied and better than ever before. From entrees to ice cream our cafeteria offers the best.

Responsibility for the good appearance of our buildings and grounds is well met under the able supervision of Mr. Poteat and his hard-working staff. Because of their valuable service, we can truly call South one of the better-cared-for schools.

Mr. Edmisten pauses for a smile during a busy day.

The responsibility of administering the affairs of a complex school with a large student body falls on the capable shoulders of Mr. E. H. Edmisten and Mr. Bruce Owens. They work with leadership and understanding toward the improvement of school conditions and the elimination of classroom problems. No subject, from air conditioning and bus drivers to schedules and clubs, is too small to receive their undivided attention; yet, in this busy schedule they take time to know each student as an individual rather than a face in the crowd or a statistic in a file.

Men communicate their thoughts through speaking, writing, and reading; therefore, great emphasis is placed on these three areas. In teaching the essentials of English grammar and the basic techniques of composition, teachers train their students to write concise, expressive prose. Students Explore Our Foreign Heritage

It has become increasingly necessary for the college-bound student to be well versed in foreign languages. South's language department stresses the four basic language skills: speaking, aural comprehension, writing, and reading. The advanced classes are accomplishing this by the use of South's modern language laboratory and by increased study in foreign literature and culture.

A fourth year Latin class has offered South students an opportunity for intensive study of Cicero. French and Latin students are doing parallel work with projects, while Spanish students are receiving concentrated drilling in pronunciation with the language labs.

Math--An Exercise For The Mind!

South's mathematics department has begun to unify subjects previously taught separately. Plane and solid geometry are now one course, as are advanced algebra and trigonometry.

However, the math courses are still designed to offer a thorough background to all students regardless of intended vocation. For example, Senior Math is the study and practice of mathematics in such areas as business transactions, social security, and insurance.

Acquainting the student with the wonders of the world about him is the goal of the science department. Through the facilities of the chemistry, physics, and biology labs at South, the student learns to search for his own answers, a task which has proved challenging and fascinating to most students.

Besides the required Biology I, also given as BSCS, the interested student may take more advanced courses, such as Biology II, Physics, and Chemistry.

As our tomorrows become our todays,
 New thoughts rise from half-forgotten hours.

One brief moment of sorrow passes;
 We move into the future strangely alone,
 Yet bound by a constant and cherished memory.
 Expectantly, fearfully, we venture into the uncertain;
 The mold of our destinies has been only faintly cast.

Treasured is the knowledge we have gained here.
 Happy were the hours that now drift into one blurred memory.
 Grateful are the hearts that reluctantly leave these proud halls.
 Warm are the friendships that have molded our lives.
 Saddened, but hopeful, are our last moments together.

New feet wish to walk our road of memories;
 New hearts desire to renew our spirit.

A final, fading memory . . .
 A passing parade of our yesterdays . . .
 The challenge of tomorrow.

Nancy,

It sure has been fun knowing you these past two years. I wouldn't have asked for a better Biology partner. You've been so brave about skinning animals and such a 'wig' bang" at finding things under the microscope.

Maybe we can get together this summer. I sure hope so. I wonder if we'll have any classes together next year. Wouldn't that be great. Be a good kid and don't get in trouble.

Love
you
